BIN KAMAL BUILDERS

Pakistan's Trusted
Construction Experts.

Ibrahim Kamal (CEO)

We were built on a commitment to integrity, precision, and uncompromising quality. From private residences to landmark developments, we deliver with transparency, accountability, and attention to every detail.

Trusted across Islamabad–Rawalpindi and beyond, we continue to build for clients in Pakistan and overseas — creating enduring structures, lasting value, and trust that stands.

INTRODUCTION

Building Excellence. Shaping Destinations.
Bin Kamal Builders is a forward-thinking real estate development company committed to creating distinctive spaces that bring together contemporary architecture, thoughtful planning, and modern lifestyles.
Driven by a commitment to quality and excellence, the company focuses on developing residential destinations that offer comfort, functionality, and lasting value. Every project is approached with careful attention to design, construction, and the evolving needs of modern communities.
With a vision to create spaces that inspire better living, Bin Kamal Builders continues to pursue developments that combine refined design, practical living, and enduring investment potential.

DEVPRO

At DevPro Contractors & Engineers, we believe construction projects shouldn't slow you down. We bring skilled, PEC-registered professionals directly to your site — whether it's a home, office, or commercial building in Islamabad or Rawalpindi.

Founded by industry experts with decades of hands-on experience, our mission is simple: make construction, renovation, and building projects easy, efficient, and stress-free. We understand the terrain, climate, and pace of .life in Pakistan — and our services are designed to work around your needs, not the other way around.

From a 5 Marla house in DHA to a commercial plaza in Bahria Town — we handle it all under one roof, one contract, one team.

BKB HOLDINGS

BKB HOLDINGS

Designed for modern families, these premium duplex residences offer a refined blend of space, comfort, privacy, and contemporary living. Available in 6, 8, 10 Marla and 1 Kanal, each residence is thoughtfully planned to provide a balanced living experience that caters to both everyday needs and special family moments.

Featuring spacious two-storey layouts with 4 and 6 bedrooms, the homes offer generous living and dining areas, well-defined private spaces, and functional interiors designed for comfortable family living. Every aspect is carefully considered to create a sense of openness while maintaining the privacy and convenience expected from a premium residence.

With modern architecture, elegant elevations, practical floor plans, quality finishes, and thoughtfully planned spaces, these residences bring together style and functionality. Whether for a growing family or those seeking a more spacious lifestyle, these duplex homes provide a distinctive residential experience built around comfort, quality, and lasting value.
